

# Limited Warranty

Aggregate Watches have a limited warranty that covers manufacturer's defects for 1 year after the original purchase. Basically, if the watch parts or mechanics don't work properly, and it's our fault, we will repair or replace your product for free. However, this does not cover any abuse you might put your watch through on your own. The warranty does not cover water damage, normal wear and tear, batteries, accidental glass damage, scratches, strap damage, or theft. Proof of purchase is required for all warranty claims and service requests, so please keep your order records.

# Returns

We offer full refunds of unworn items within a 30 day period. Exchanges and replacements are always available if there are any issues with shipment of the product. Feel free to contact us if you ever have any issues with our products. We value our customer needs first and timely delivery second. Ensuring the satisfaction of our supporters is our main priority
