3. A Note About Children. We do not intentionally gather Personal Data from visitors who are under the age of 13. If a child under 13 submits Personal Data to AGGREGATE LLC and we learn that the Personal Data is the information of a child under 13, we will attempt to delete the information as soon as possible. 4. A Note to Users Outside of the United States. If you are a non U.S. user of the Site, by visiting the Site and providing us with data, you acknowledge and agree that your Personal Data may be processed for the purposes identified in the Privacy Policy. In addition, your Personal Data may be processed in the country in which it was collected and in other countries, including the United States, where laws regarding processing of Personal Data may be less stringent than the laws in your country. By providing your data, you consent to such processing and transfer.
5. Types of Data We Collect. “Personal Data” means data that allows someone to identify or contact you, including, for example, your name, address, telephone number, e-mail address, as well as any other non-public information about you that is associated with or linked to any of the foregoing data. “Anonymous Data” means data that is not associated with or linked to your Personal Data; Anonymous Data does not, by itself, permit the identification of individual persons. We collect Personal Data and Anonymous Data, as described below:
 - Information You Provide to Us.
 - If you create an account by registering directly with us, we will request your name, email, and password.
 - When you order merchandise, we will collect information necessary to process your order such as your shipping and billing information and payment information.
 - If you provide us feedback or contact us via e-mail, we will collect your name and e-mail address, as well as any other content included in the e-mail, in order to send you a reply.
 - When you post content on our Services such as a review, the information contained in your posting will be stored in our servers and other users will be able to see it, along with your first name and last initial. The information that you provide will be visible to others, including anonymous visitors to the Site.
 - We may also collect Personal Data at other points in our Site and Services that state that Personal Data is being collected.
 - Information Collected via Technology.

- Information Collected by Our Servers. To make our Site and Services more useful to you, our servers (which may be hosted by a third party service provider) collect information from you, including your browser type, operating system, Internet Protocol (“IP”) address (a number that is automatically assigned to your computer when you use the Internet, which may vary from session to session), domain name, and/or a date/time stamp for your visit.
- Log Files. As is true of most websites, we gather certain information automatically and store it in log files. This information includes IP addresses, browser type, Internet service provider (“ISP”), referring/exit pages, operating system, date/time stamp, and clickstream data. We use this information to analyze trends, administer the Site, track users’ movements around the Site, gather demographic information about our user base as a whole, and better tailor our Services to our users’ needs. For example, some of the information may be collected so that when you visit the Site or the Services again, it will recognize you and the information could then be used to serve advertisements and other information appropriate to your interests. Except as noted in this Privacy Policy, we do not link this automatically-collected data to Personal Data.
- Cookies. Like many online services, we use cookies to collect information. “Cookies” are small pieces of information that a website sends to your computer’s hard drive while you are viewing the website. We may use both session Cookies (which expire once you close your web browser) and persistent Cookies (which stay on your computer until you delete them) to provide you with a more personal and interactive experience on our Site. This type of information is collected to make the Site more useful to you and to tailor the experience with us to meet your special interests and needs.
- Do Not Track Signals. We do not currently respond to “do not track” signals from web browsers.

- Flash LSOs. When we post videos, third parties may use local shared objects, known as “Flash Cookies,” to store your preferences for volume control or to personalize certain video features. Flash Cookies are different from browser Cookies because of the amount and type of data and how the data is stored. Cookie management tools provided by your browser will not remove Flash Cookies. To learn how to manage privacy and storage settings for Flash Cookies, click here: http://www.macromedia.com/support/documentation/en/flashplayer/help/settings_manager07.html.
- Analytics Services. We may use third party analytics services (“Analytics Services”), to help analyze how users use our Site. The information generated by the Cookies or other technologies about your use of our Site (the “Analytics Information”) is transmitted to the Analytics Services. The Analytics Services use Analytics Information to compile reports on user activity. The Analytics Services may also transfer the Analytics Information to third parties where required to do so by law, or where such third parties process Analytics Information on their behalf. Each Analytics Service’s ability to use and share Analytics Information is restricted by such Analytics Service’s Terms of Use and Privacy Policy. By using our Site, you consent to the processing of data about you by Analytics Services in the manner and for the purposes set out above. For a full list of Analytics Services, please contact us at info@Aggregatewatches.com.
- Information Collected from You About Others. If you decide to invite a third party to create an account and/or purchase our merchandise, we will collect your and the third party’s contact information in order to send a message to the third party and follow up with the third party. We rely upon you to obtain whatever consents from the third party that may be required by law to allow us to collect such information and contact the third party as described in the foregoing sentence. You or the third party may contact us at info@Aggregatewatches.com to request the removal of this information from our database.

- Information Collected from Third Party Companies. We may receive Personal and/or Anonymous Data about you from certain third parties, such as demographic information from Facebook tools. We may add this information to the information we have already collected from you via our Site in order to improve the Services we provide.

- Other Disclosures. Regardless of any choices you make regarding your Personal Data (as described below), AGGREGATE LLC may disclose Personal Data if it believes in good faith that such disclosure is necessary (a) in connection with any legal investigation; (b) to comply with relevant laws or to respond to subpoenas or warrants served on AGGREGATE LLC; (c) to protect or defend the rights or property of AGGREGATE LLC or users of the Site or Services; and/or (d) to investigate or assist in preventing any violation or potential violation of the law, this Privacy Policy, or our Terms of Use.

When we delete any information, it will be deleted from the active database, but may remain in our archives. We may also retain your information for fraud or similar purposes.
